

# WHY CONVERGED IS GAINING TRACTION: 4 METRICS

Simpler IT leads to greater business agility. An IDC study shows that organizations using converged infrastructure achieved these results:

**338%**  
More IT time on business enablement

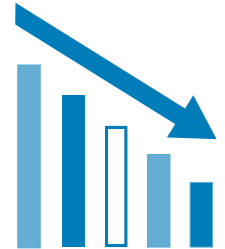

**55%**  
Faster application development life cycle

**518%**  
Average ROI in 5 years with 7.5 month payback

**36%**  
Lower IT infrastructure and IT staff costs
