

EMC GLOBAL FINANCIAL SERVICES

Financing Solutions For EMC Customers

OUR FINANCE OFFERS MAKE IT EASY AND AFFORDABLE

We know that when budgets are tight, a great price and flexible payment options can make a big difference. That's why we offer a choice of finance and leasing options for all EMC solutions—including monthly payment plans, deferred payment, and trade-in offers. Explore the most cost-effective option for you.

FINANCE AND LEASE OPTIONS

1

SWAP INCENTIVES

Swap out your old, non-EMC technology and EMC will reward you with a credit toward your new solution.

Participating EMC products include EMC® VNX®, VNXe®, Data Domain®, Avamar®, and VSPEX™.

2

TRADE-IN INCENTIVES

Trade-in your existing EMC technology and EMC will reward you with a credit toward your new solution.

Participating EMC products include VNX, VNXe, Data Domain, Avamar, and VSPEX.

3

OPENSACLE—CAPACITY ON DEMAND FINANCE

Adapt to changing business needs in real time. Receive all the storage you need for tomorrow, but only pay for what you use today.

Participating EMC Products: Data Domain, Isilon, VMAX, VNX, and VPLEX.
Available in participating countries.

4

LOW RATE LEASING

Easily afford new EMC technology with low monthly payments.

Participating EMC products include VNX, VNXe, Data Domain, and Avamar. Standard Rate Leasing is available for VSPEX.

5

DEFERRED LEASING

Get your new EMC technology today and defer payments by up to nine months followed by affordable monthly payments over three years.

Participating EMC products include VNX, VNXe, Data Domain, and Avamar.

For full details, contact your local EMC partner today.

Terms & Conditions. Valid for a limited time only. Subject to cancellation or modification without notice. Subject to customer credit approval, local terms and conditions.
