

All export information and assistance provided by DelleMC is provided for information purposes only. DelleMC makes no representation or warranty as to the accuracy or reliability of such regulations. Any use of such regulations by you is at your own risk. DelleMC is in no way responsible for any damages whether direct, consequential, incidental, or otherwise, suffered by you as a result of using or relying upon such regulations for any purpose whatsoever.

You as the exporter, re-exporter, or importer are responsible for ensuring that DelleMC products are exported and imported in accordance with the requirements of the country specific Trade Compliance regulations as well as U.S. Export Administration Regulations (EAR). Each commodity or software product has a respective Export Control Classification Number (ECCN) (per the United States Department of Commerce Export Administration Regulations). End-user, End-use and Country of ultimate destination may affect export-licensing requirements. You are urged to consult the Export Administration Regulations, the Bureau of Industry and Security's Export Counseling Division, and other appropriate sources concerning restricted/prohibited uses and the exportation/re-exportation of DelleMC products.

All Export Control Classification Numbers (ECCNs), License Exception values and CCATS provided herein are subject to change without notice. If you require further assistance, please contact [DELLEMC Global Trade Compliance](#)
