

Flash is transforming the industry; EMC's Flash Everywhere Strategy provides choice in deployment model and is designed to match customer workload to Flash deployment model. And we know that when budgets are tight, a great price and flexible payment options can make a big difference. That's why we offer a choice of finance and leasing options for all EMC solutions.

ALL FLASH ARRAY RESCUE PROGRAM

- Do you have a legacy hybrid flash or all-flash array from an EMC competitor?
- Are you an existing EMC customer?
- Are you looking to upgrade to the latest technology?

EMC to the rescue: We'll give you the current book value of your existing system as a credit against your new EMC solution.
