THE FUTURE HAS ARRIVED
ARE YOU READY FOR GEN Z?

Gen Z could represent 20 percent of the workforce by 2020. As organizations welcome these digital natives, they must bridge the deepening digital divide across multiple generations in the workplace.

Dell Technologies surveyed 12,000 high school and college students from around the globe about their views on technology and future careers.

- **Ages 16-23:** 12,086 Gen Z students surveyed
- **Global perspective:** 17 countries represented
- **Work experience:** 83% have some exposure to jobs

*Survey conducted by Dimensional Research on behalf of Dell Technologies, from August to September 2018.*
